Authorization to Photograph Child

I authorize Kindom Village African American Christian Child Development Center to photograph my child for use in his/her cumulative record folder. I understand that the center will be taking pictures annually for the purpose of safety and security. The photograph will not be used for any other reason unrelated to Child Development Center activities. I am enclosing a temporary photograph.

I authorize Kindom Village African American Christian Child Development Center to photograph my child to promote the activities of the Child Development Center for publicity purposes in both print and electronic media. These photographs are only for the use by KDV.
